

Penny Arnold
Treasurer NCISDABC
2010-2011 Candidate

I've been involved my children's activities since Zack started pre-k in 1993. I have volunteered at each of their schools in almost every aspect. I have written the school newsletters for NCE, PES, VRE and currently the NCHS parent newsletter. I have been actively involved in each school's parent volunteer organization. I have helped in the copy rooms, putting up bulletin boards, listening to students read and anything else that was needed at the time.

I have been actively involved with the Athletic Booster Club since 2001 to present. I have been treasurer since 2004. I enjoy being a part of the club, watching the athletes improve and grow up. I feel I am a positive role model to the students and even some of the parents by being involved and helping where I can.
